THE AD SIZES ABOVE ARE JUST A SAMPLING FOR VARIOUS RATES.

All ads can be created in any height that you request in increments of one tenth of an inch.

All that is required is that ads are either one, two or three columns wide.

One column wide is 3.3 inches.

Two columns wide is 6.8 inches.

Three columns are 10.3 inches wide.

All pages are full color, therefore all ads are full color with no additional charge.

We can create and adjust your ad or you can submit your own.

We can accept files in most formats. The file that we sent to the printer is a pdf (Portable Document Format) using cmyk for colors.

If you create and submit your own ad, please follow these guidelines:

- 1) Use four color cmyk. If you use rgb, the ad will be converted to cmyk which will change the appearance of your colors possibly very noticeably.
- 2) When using black text or black fill, please use 100% K (Black). If you allow all four colors to create black, it may not print as crisp since there will be four colors rather than one.
- 3) Please submit your ad in the actual size that will be used so that we do not change the dimensions. See the column width size above. The height can be any size and we can price out your ad before placement is made.
- 4) Please embed your fonts and images. If you do not do this, only a low quality thumbnail of your image is used and will not print properly.
- 5) Please do not submit your ad as a jpg. JPG format is pixilated and is mainly used for photos that blend colors. For sharp color edges such as used for text, you will want your file to be in a vector format such as pdf files use.
- 6) Be sure you have the right to all images and fonts that you use.
- 7) Our web press prints colors exceptionally well for newsprint, however be cautious of fancy fine color text or color backgrounds. You can review what is in the paper for samples of what seems to work good.

We would be glad to make any recommendations if you request.

You can change your ad weekly with no additional charge for placement. Please check with us for the deadline for ad submission.
